Course Co-Chairs:

Saqib Rehman, MD, MBA • Asif Ilyas, MD • Joseph Thoder, MD

<https://medicine.temple.edu/cme>

► LOCATION

Meeting will be held as a live interactive webinar via Zoom

TARGET AUDIENCE

This conference is aimed at practicing orthopaedic surgeons, residents, nurse practitioners, and physician assistants who are involved with management of orthopaedic trauma care.

EDUCATIONAL OBJECTIVES

At the conclusion of the conference, participants should be able to:

1. Summarize the current trends in fracture management.
2. Improve their skills in the management of periarticular fractures.
3. Recognize the controversies in fracture management.

ACCREDITATION STATEMENT

Lewis Katz School of Medicine at Temple University is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide Continuing Medical Education for physicians.

CERTIFICATION STATEMENT

Lewis Katz School of Medicine at Temple University designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY

It is the policy of the Lewis Katz School of Medicine at Temple University, The Albert J. Finestone, M.D., Office of Continuing Medical Education that the speaker and provider disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentation(s). The Accreditation Council for Continuing Medical Education (ACCME) considers financial relationships to create actual conflicts of interest in CME when individuals have both a financial relationship with a commercial interest and the opportunity to affect the content of CME about the products or services of that commercial interest. The ACCME defines a commercial interest as "any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients." The ACCME does not consider providers of clinical service directly to patients to be commercial interests. The Lewis Katz School of Medicine at Temple University has established policies in place that will identify and resolve all conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to the activity.

REGISTRATION FEES (adjusted for live webinar)

\$95.00 Physicians / \$55.00 NPs and PAs / \$0 Residents, Fellows, and Medical Students

CALL FOR ABSTRACTS

This year's meeting will include research virtual poster presentations. Residents and medical students are invited to submit one-page abstracts for consideration. The topic should be pertinent to the care of the orthopaedic trauma patient. Abstracts should be sent by May 18, 2020 to saqib.rehman@tuhs.temple.edu. Additional information is available at medicine.temple.edu/cme.

- 7:00-7:25** Login to meeting opens
- 7:25-7:30** Introduction
- 7:30-8:00** **1st Annual William G. DeLong, MD Lecture:**
"Distal femoral replacement for treatment of fractures in the elderly"
Fernando Vilella-Hernandez, MD
- 8:00-8:30** **Session 1:** Medical management of the trauma patient
- 8:30-9:00** **Session 2:** Challenges with pediatric upper extremity fractures
- 9:00-9:30** **Session 3:** Elbow fractures - what are my options?
- 9:30-9:45** Break, visit exhibitors
- 9:45-10:15** **Guest Lecture:**
"Ortho-Plastic Coverage Strategies for Extremity Soft Tissue Defects"
Raymond Pensey, MD
- 10:15-10:35** **Technical tips lab demo** - Minimally invasive plate fixation of distal tibia fractures
- 10:35-10:55** **Technical tips lab demo** - ORIF distal femur fractures
- 10:55-11:15** **Technical tips lab demo** - Novel tension banding techniques
- 11:15-11:30** Break/Lunch
- 11:30-11:45** Break, visit exhibitors
- 11:45-12:15** **Breakout sessions:** Breakout 1: Proximal humerus fracture cases
Breakout 2: Tibia and patella fracture cases
Breakout 3: Hand and wrist fracture cases
Breakout 4: Hip fracture cases
- 12:15-12:45** **Session 4:** Foot & ankle injuries: Avoiding the landmines
- 12:45-1:15** **Session 5:** Geri-bombs: Challenges in the treatment of osteoporotic femur fractures
- 1:15-1:30** Break, visit exhibitors
- 1:30-1:45** Resident research poster virtual tour
- 1:45-2:15** **Session 6:** Periprosthetic fractures - and is that component loose?
- 2:15-2:45** **Session 7:** Periarticular tibia fractures: plate, nail, ex fix, or combo?
- 2:45-3:15** **Session 8:** Humerus fractures - when and if to operate?
- 3:15-3:45** **Guest Lecture:** "Think Big"
Mohit Bhandari, MD
- 3:45-3:50** Wrap up

Zoom is an easy, reliable cloud platform for video and audio conferencing, collaboration, chat, and webinars across mobile devices, desktops, telephones, and room systems.

System requirements

- An internet connection – broadband wired or wireless (3G or 4G/LTE)
- Speakers and a microphone – built-in or USB plug-in or wireless Bluetooth
- A webcam or HD webcam - built-in or USB plug-in
- Or, a HD cam or HD camcorder with video capture card

Supported operating systems

- macOS X with macOS 10.7 or later
- Windows 10
- (Note: For devices running Windows 10, they must run Windows 10 Home, Pro, or Enterprise. S Mode is not supported.)
- Windows 8 or 8.1
- Windows 7
- Windows Vista with SP1 or later
- Windows XP with SP3 or later
- Ubuntu 12.04 or higher
- Mint 17.1 or higher
- Red Hat Enterprise Linux 6.4 or higher
- Oracle Linux 6.4 or higher
- CentOS 6.4 or higher
- Fedora 21 or higher
- OpenSUSE 13.2 or higher
- ArchLinux (64-bit only)

Supported tablet and mobile devices

- Surface PRO 2 or higher running Win 8.1 or higher
- (Note: For tablets running Windows 10, they must run Windows 10 Home, Pro, or Enterprise. S Mode is not supported.)
- iOS and Android devices
- Blackberry devices

Supported browsers

- Windows: IE 11+, Edge 12+, Firefox 27+, Chrome 30+
- Mac: Safari 7+, Firefox 27+, Chrome 30+
- Linux: Firefox 27+, Chrome 30+

Processor requirements

Minimum: Single Core 1Ghz or Higher
Recommended: Dual Core 2Ghz or Higher (i3/i5/i7 or AMD equivalent)

RAM requirements

Minimum: N/A
Recommended: 4Gb

Notes: Dual and single core laptops have a reduced frame rate when screen sharing (around 5 frames per second). For optimum screen sharing performance on laptops we recommend a quad core processor or higher.

Bandwidth requirements

The bandwidth used by Zoom will be optimized for the best experience based on the participants' network. It will automatically adjust for 3G, WiFi or Wired environments.

Recommended bandwidth for webinar attendees:

- For 1:1 video calling: 600kbps (down) for high quality video and 1.2 Mbps (down) for HD video
- For screen sharing only (no video thumbnail): 50-75kbps (down)
- For screen sharing with video thumbnail: 50-150kbps (down)
- For audio VoiP: 60-80kbps (down)

REGISTRATION FORM

FEES (adjusted for live webinar)

\$95.00 - Physicians

\$55.00 - Nurse Practitioners and Physician Assistants

\$0.00 - Residents, Fellows, and Medical Students
